

**What is this grant to be used for?**

Electric Vehicle Charger Mini-Grants support the installation of new or additional EV charging stations or the upgrade of existing charging stations to Level 2 or 3.

**Who can apply?**

Any business, non-profit organization, or government entity can apply for the EV Charger Mini-Grant. Each business/organization is eligible for one award per calendar year. Residential or private-use only projects will not be considered.

**How much will be awarded?**

Each approved project will be awarded up to \$1,000.

**When are funds available?**

Applications will be accepted on a rolling basis until funds are depleted. A copy of your application will be emailed to you once it has been submitted. Please retain that copy for your records.

**What documentation will need to be provided?**

A copy of receipt of purchase of EV charger or installation, dated within 90 days of application.

*Once operational:* Applicant is required to send a photo of charging station for verification and marketing purposes.

**What else do I need to know?**

Once operational, all mini-grant projects will be listed on DoorCounty.com's Electric Vehicle Charging Station landing page.

**Who can I contact with questions?**

For questions regarding the mini-grant or application process, please contact: Yvonne Torres, Senior Director of Finance & Administration - [yvonne@doorcounty.com](mailto:yvonne@doorcounty.com)
