

**What is this grant to be used for?**

Electric Vehicle Charger Mini-Grants support the installation of new or additional EV charging stations or the upgrade of existing charging stations to Level 2 or 3.

Who can apply?

Any business, non-profit organization, or government entity can apply for the EV Charger Mini-Grant. Each business/organization is eligible for one award per calendar year. Residential or private-use only projects will not be considered.

How much will be awarded?

Each approved project will be awarded \$1,000.

When are funds available?

Applications will be accepted on a rolling basis quarterly until funds are depleted. Eight (8) projects will be awarded each quarter. A copy of your application will be emailed to you once it has been submitted. Please retain that copy for your records.

What documentation will need to be provided?

If charger has already been purchased: A copy of receipt of purchase of EV charger or installation, dated within 90 days of application.

If charger or upgrade has not been purchased yet: Funds will be held and the applicant will be required to submit a receipt/invoice of purchase within 90 days. If an applicant fails to submit a receipt, funds may be released to another applicant.

Once operational: Applicant is required to send a photo of charging station for verification and marketing purposes.

What else do I need to know?

Once operational, all mini-grant projects will be listed on DoorCounty.com's Electric Vehicle Charging Station [landing page](#).

Who can I contact with questions?

For questions regarding the mini-grant or application process, please contact: Morgan Rusnak, Community Engagement Manager - morgan@doorcounty.com

Certification and Agreement

I understand that this program provides an incentive for Door County businesses/organizations wishing to enhance the public EV infrastructure by adding or upgrading their EV Charging Station. Applications for private-use or residential chargers will not be considered.

I understand that there is a \$1000 award per project and that my business/organization is eligible to receive one award per calendar year.

I understand that this program has a pre-determined budget, and that applications will be accepted on a first-come, first-served basis, until allocated funds are spent each quarter. This program may be modified or discontinued at any time without notice.

I certify that all statements made in this application are correct to the best of my knowledge and agree to Destination Door County's verification of installed EV charger. I agree to the terms and conditions of this offer as set forth on this application.
