

Door County Spring Information

Each spring, Door County blooms into a vivid rainbow of colors. The blossoms are a welcome sign of spring for visitors and locals alike. Celebrate spring with a wide variety of special events and blossoming beauty throughout the entire county. Whether hiking among the wildflowers, listening to the birds, or biking along the acres of cherry blossoms; Door County is the place for a spring renewal.

DOOR COUNTY SPRING ACTIVITIES

- Visit the Door County Welcome Center to see the *Door County USA* daffodil. Christened in Keukenhof Garden in Lisse, The Netherlands on April 25, 2002, the flower is a double cream colored daffodil with an apricot colored center. Nearly 30,000 *Door County USA* bulbs have been sold and planted throughout Door County.
- Hike through one of the many trails in [The Ridges Sanctuary](#) to see wildflowers and 25 species of native orchids in bloom.
- Hop aboard the [Door County Trolley](#) for a Spring Blossom Tour that navigates visitors to hidden peninsula blossoms, forest wildflowers, and scenic overlooks. The tour also includes a carriage ride through Fish Creek, tastings at two Award Winning local wineries, and lunch at a local restaurant.
- Take a scenic drive and visit one of the many cherry and apple orchards in blossom. The county has around 2,500 acres of cherry orchards and 500 acres of apples orchards. Typically, cherry blossoms can be seen in mid- May. Apple blossoms can be seen 1-2 weeks after cherry blossoms. Visit [DoorCounty.com](#) for the blossom report.
- Grab the binoculars and go birding at one of the 19 county parks, two nature sanctuaries, and 13 protected areas of the Door County Land Trust. The entire county was designated a Bird City Wisconsin community on July 28, 2014. Visit the Birding page on [DoorCounty.com](#).
- Try out a Segway with [Segway the Door](#) in Peninsula State Park and see various wildflowers and birds.
- Enjoy the spring blossoms while on an adventure geocaching. Almost 500 caches are hidden around the county and contain interesting prizes.
- Experience an ecological sightseeing adventure while zip lining over a 20-acre course at [Lakeshore Adventures](#). Get a bird's eye view of springs beautiful colors and wildlife.
- In April, view the sucker run at [Crossroads at Big Creek](#). Hundreds of suckers' spawning throughout the creek at this 115-acre preserve. An extensive trail system provides a great spring hike or jog.
